The remnants of the empire of an ancient race named the Elden have yet to be revealed to the world. The Godborn race has yet to be created. The lore of the Lands Between remains mysterious. Those who seek power, even a forgotten power, lurk in the depths of the Lands Between. A world in which the three histories converge. A world in which the shadow of a forgotten empire, shrouded in mystery, still remains. To break free from the shadow of a forgotten empire, to open the door to the lore of the Lands Between, is a quest to be undertaken alone. Gameindustry.biz Feedback Gameindustry.biz Gameindustry.biz 4/10 ● "The game world is beautiful and filled with countless things to look at." ● "The matchmaking service is good and the game has a simple interface." ● "It's a well-designed RPG with a gripping story." ● "The game world, its setting, and the characters are beautiful, and you can recruit a family to play together." ● "Only 2 players can play the coop mode on one table." [Review] > DUAL SYSTEM WITH A MULTIPLAYER FEATURE ◆ Elden Ring Gameplay ◆

Two systems: a battle system and a progression system
Play the battle system: The battle system is a classic turn-based RPG that supports up to 2 players, along with customizing the game setting and items.
Progression system: The progression system is a progression system that allows players to receive various rewards via the in-game auction. Items obtained through the auction are usable in both the battle system and the progression system. ● The battle system is accessible to non-cooperative players
In addition to the story mode, the battle system is also accessible to both players through Coop mode. The battle system can even be played by a family with two people, which has two different perspectives for each character and can be played through a built-in system. The action scenes can be watched from a third-person view with spectators as well. For the battle system, various jobs and support roles can be equipped to your character, and each job allows for different specialties. In addition, as your character obtains experience through battle, you can improve your skills. ◆ A lot of elements to customize ◆ [The battle system is fully customizable [Character appearances can be changed [World maps can be changed [Weapon properties can be changed
The battle system's uniqueness lies in its customizability, which allows players to make a character and a world that suit them. A general can also create a family, which allows a maximum of 5 players to play on one account. Players will create a family based on their play style or quests that they will want to perform. ◆ All-out battle with other players◆ bff6bb2d33
