

Download Setup & Crack

Les Manley is a private investigator, who lives in Los Angeles. He has a great job, a beautiful girlfriend, and a large office. One day he gets a call from an old buddy, a screenwriter named Helmut Bean, asking for his help. His roommate then disappears and everybody thinks he's a stalker. Your mission is to help Les find his missing roommate! -In order to accomplish this you have to take some Clues left behind and solve a number of puzzles. -You can speak to dozens of actors and actresses to get information, see security cameras and do some other useful stuff. -In order to accomplish something, you have to use different items like sledge hammers, flashlights, etc. -There are three different endings.
