EA SPORTS FIFA 22 builds on the features of the award-winning FIFA franchise to deliver a real football gameplay experience like no other. New online functionality New animations, physics and kits bring the most immersive football experience to life, letting you run, pass, shoot and tackle as never before. And because of its close partnership with the world’s most popular football clubs, you’ll also play alongside real players and manage the club’s in-game squad. Intuitive controls EA SPORTS

FIFA 22 redefines how football is played, bringing more variety than ever to game control options, ranging from the force of impact to the fragility of passing and shooting. Real-world broadcast commentary FIFA's official global broadcasters, around the world, provide authentic, mouth-watering commentary to bring the game closer to real life. **NEW CONTENT** **PLAYER EDITOR** Every tweak to a player's kit or appearance can be seen in-game. No two players will look the same. **NIGHTMATCHES** EA SPORTS FIFA 22 is the first football game to introduce its own night mode, including playoff matches and Friendly Games. **EDIT TOYS** Create custom players with different kits, gloves and tattoos, and then apply them to your players. **SCORING** Building off FIFA 17's gameplay enhancements, here are some of the new game features and improvements designed to enhance your game day experience. **More Fluids** Fluid dribbling is a new feature where you can keep the ball in your hands and control where it goes. **LOOK**

ON During a match, you can pause the action and observe all players and coaches. Using your in-game camera, you can also zoom in on any player or coach and read the new player profile card.

INTUITIVE TOOLS The new control interface allows you to control your player's AI and teammates.

THE WALKING DEAD In-game celebrations are controlled by players now, and they are a lot more elaborate than in FIFA 17.

FINGER SAMPLES During the presentation of the ball, hold L1/LB to trigger a player's finger to perform a specific action. This is great when you want to see a player's skill and technique.
