Originally released in 2002 in Japan under the title Tamten Noro no Koe (Tarnished Lord’s Collection), the free-to-play fantasy action RPG Tamten Noro no Koe was a blockbuster hit in Japan, selling over 1.5 million copies. It was a breakthrough in the fields of online RPG and PC games in Japan, and also triggered a burst of growth in the PC games sector in Japan. More than 15 years later, based on a continued increase in active users, Oyabu, the Japanese developers of the game, is now introducing the game to the North American audience. The official English version of the game, which was previously available only in Japan and Taiwan, is now ready for North American players, who will experience a high-quality, free-to-play online RPG with deep gameplay that can be played by just about anyone, thanks to the overwhelming support by players and fans. Recommended for you: Tamten Noro no Koe Official Trailer Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. An online RPG in which you can become part of a lush, fantasy world, and even maintain your own guild and explore countless adventure routes, is made possible by the seamless connection of a multiplayer online RPG.
