Held by the Elden Gods, the Eden Ring that encompasses the Lands Between is the realm of Tarnished Heroes. This is the world where the story of Tarnished Heroes is being written. As a Tarnished Hero whose fate is tied to the Eden Ring, you will rise to the occasion and experience the delights of battle in the land. In addition, you will experience the power of the Elden Gods and their allies, the Revenants as well as the world of the Elden Gods in the Lands Between. Tarnished Heroes combines action RPG elements with turn-based strategy. By using real-time controls, you will engage in battles that flow naturally and smoothly. [HOW TO PLAY] 1. [The World of Tarnished Heroes] In Tarnished Heroes, you will experience the Lands Between, the world on which you act. When you start the game, you will awake in a mysterious tower. After that, you will obtain the title of Tarnished Hero and will go on a quest. The action RPG that consists of a series of towns is placed in the lands between where the Gods reside. The Gods have decided to create the Tarnished Heroes to decide their futures. Select one of the races of the Lands Between. Each race has different physical features and looks. CHARACTERS Each of the Tarnished Heroes in Tarnished Heroes has a unique story. There are the Titan, the Knight, the Archer, the Warrior, and the Mage. You will select one of these as your main character. Your character gains levels by discovering new items and abilities through your adventures. When you defeat monsters in the lands between and obtain items from the monsters, you can use them to increase your abilities or strengthen your character. By creating a party and customizing your equipment, you will then enter a battle and engage in turn-based strategy with other players. You can also connect your party with other players and fight against them asynchronously. If you win, your character will receive a medal. 2. [The Story of Tarnished Heroes] Play as Tarnished Heroes to experience the epic drama of the Lands Between. The Lands Between is a world of long forgotten myths. It has a variety of forests, plains, and mountains, where huge dungeons with three-dimensional designs are placed.

A friend of mine went to Japan to visit his nephew who is working there. When he went to his nephew's place I believe it was a shrine he asked to pray for a job at the shrine. His nephew responded by saying that they already have people from Spain, Italy, Netherlands, Belgium and now Japan. "Maybe we should take them on! " he says.

I had a similar experience. I went to a very popular shrine in Japan and
