## **Elden Ring**

I expected to play the game like an action RPG, but it is like a story with music and an exciting drama. There are parts that can be boring, but I was able to feel the emotions from the characters. I want to play again. I wish I could shoot more opponents like in the previous game and become higher ranked, so I will play again. I understand that the character I made has some flaws, but I will continue to make the character stronger. I want to achieve my dream of becoming an Elden Lord in the Lands Between. I will not give in to the evil and fight to protect the world.

SOMEONE WANTS TO BE YOUR FRIEND. [Rise and become an Elden Lord in the Lands Between] THE NEW FANTASY ACTION RPG. • A Vast World Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. REVIEWS ELDEN RING game: A fantastic feeling of loneliness arises from the gentle breeze that carries the conversation of a couple of magic users. A couple of people bond in the art of magic and become closer to each other. Although they may not have felt the presence of others, they will now be able to share feelings and dreams. Although there are a lot of people that you can't meet on your adventure, you can meet many different people on your travels. There is no one that you won't meet.
